The insurance is only valid on the condition that you have paid prior to the start of the validity period.

If you purchase your insurance on the starting date, it only applies from the time when you paid for it. Europeiska ERV's responsibility applies for events that occur during the validity period.

Renewal/extension

The insurance is not renewed or extended automatically.

Applicable law and legal venue/jurisdiction

The Swedish Insurance Contracts Act applies to this insurance agreement and terms and conditions, if not specifically stated otherwise.

Any disputes arising from or relating to the insurance agreement shall be governed by Swedish law and settled by the City Court ("Stockholms tingsrätt") of Stockholm, Sweden as first instance.

Dual insurance

The insurance does not cover costs or pay out compensation for claims which have already been covered by another insurance or credit card company. Each company however are liable towards you and/or policyholder as if that company alone was liable for the claim, but with a right of recourse and division of the liability between the insurance companies in proportion to the respective liability amounts.

In case of a claim the insured is obligated to inform Europeiska ERV of any other insurance taken out with another company and/or whether the insured has a bank- or credit card with insurance cover.

General terms

Recovery of compensation

To the extent that you have received compensation from this insurance, Europeiska ERV is fully and completely subrogated in all the insured's rights towards third parties. Third parties are defined as companies and public authorities both domestic and abroad who are, or can be made, liable to pay compensation or a contribution in connection with any case regarding a claim under this insurance.

Europeiska ERV can impose and change fees for services provided and charges to the extent that such changes are required to ensure that Europeiska ERV's actual costs are covered. General increases and new fees are publicised on Europeiska ERV's website and will not be implemented until one month after they have been publicised on the website.

Inaccurate or false information

It is important that the information, including health information, given to Europeiska ERV is precise and correct. If information is withheld or incorrect answers are given to questions that could have an impact on Europeiska ERV's assessment of a claim, compensation may be reduced or cancelled.

Filing of a claim and payment of compensation

The insured must register the claim as soon as possible by filling out a claim form on our website: www.erv.se

If it is not possible for the insured to fill out the claims form online, a claims form can be required by contacting Europeiska ERV.

Information on required documents, in addition to the claim form, can be found in these terms and conditions under the applicable insurance section.

Europeiska ERV shall pay the compensation no later than one month after you have registered the claim and submitted the information/documents we require to be able to handle the claim.

Reduction of compensation in the event of a claim

Causing an insured event

If you have intentionally brought about an insured event, compensation is not paid from the insurance as far as it concerns you. The same applies to the extent you have intentionally worsened the consequences of an insured event. If you have brought about an insured event through gross negligence or worsened its consequences, the compensation may be reduced as far as it concerns you, based on what is reasonable, taking into consideration your case and other circumstances.

The same applies if you must otherwise be assumed to have acted or failed to act in the knowledge that this meant a significant risk for the injury or damage occurring.

For example may the use of drugs, alcohol or other intoxicants in such a way that the insured person exposes himself/herself to the risk of injury imply that the rules for causing an insured event apply.

Security directives

If, in the event of an insured event, you have neglected to follow the *security directives* set out in the insurance's terms and conditions or another statute that the conditions refer to, the compensation from the insurance can be reduced as far as it concerns you, based on what is reasonable with respect to the conditions associated with the injury or damages that have arisen, the intent or negligence that has occurred, and the circumstances in general.

A *security directive* is a directive about certain determined ways of acting or arrangements that are dedicated to preventing or limiting damage or certain determined qualifications regarding you, or your employees or other assistants.

When a reduction cannot take place

The compensation cannot be reduced due to:

1. trivial carelessness
2. action of someone who was seriously mentally disturbed or was under twelve years of age, or. actions that were intended to prevent physical injury or damage to property in an emergency situation to the extent that the action was defensible.

Rescue obligation

When an insured event occurs or imminently threatens to occur, you must take action to the best of your ability to restrict or limit the damage. If another party is liable for damages, you must take action to preserve any rights Europeiska ERV may have against that party.

If you have intentionally neglected your responsibilities as defined in the first paragraph, compensation may be reduced as far as it concerns you, based on what is reasonable, taking into consideration your situation and other circumstances.

The same applies if you have neglected your obligations through gross negligence or when you were aware that there was a significant risk of damage or injury occurring.

Limitation period

A person who wants to claim compensation, or any other insurance cover, must initiate action against Europeiska ERV within a period of ten years from the date when such circumstance in the insurance contract that entitles to insurance coverage occurred. If actions are not brought within that period, the right to insurance cover will be lost.

If the person who intends to claim for insurance cover has reported the claim to Europeiska ERV within the prescribed period, as specified in the first sentence, the period to initiate actions against Europeiska ERV is always at least six months from the date when Europeiska ERV declared that it has passed a final decision regarding compensation.

General terms

Right of withdrawal

In accordance with chapter 3 of Swedish Act on Distance Contracts and Off-Premises Contracts (SFS 2005:59), the following apply:

For insurance policies that provide cover for a period of more than one (1) month, the policyholder has the right to withdraw the purchase of the insurance within fourteen (14) days of entering into the agreement. The deadline is calculated from the date when the insurance contract was concluded, that is when the policyholder receives the policy and terms and conditions for the insurance. If the policyholder wishes to exercise the right of withdrawal, Europeiska ERV must be informed in writing before expiry of the deadline. If the policyholder chooses to exercise the right of withdrawal, Europeiska ERV is entitled to request that a premium corresponding to the period, for which the insurance was valid, is paid.
